Provisional Scout Summer Camp Application 2005

Fill out this form completely, and mail with **TOTAL AMOUNT DUE** to the above address.

Provisional camping is not intended to take the place of natural troop leadership. Troops **may not** attend camp without their own leaders. Our provisional program is designed to accommodate Scouts that would like to come to camp for an additional week, to attend a specialty camp, or cannot attend when their own unit does. Provisional camp works best for more experienced Scouts who are equipped to govern themselves using the patrol method and are familiar with camp operations and expectations. Provisional leadership cannot give the 11 year old Scout the individual attention and guidance that is needed in order to make the experience what it should be. Therefore, first year campers will not be accepted as provisional campers.
